My First Day at Whippoorwill

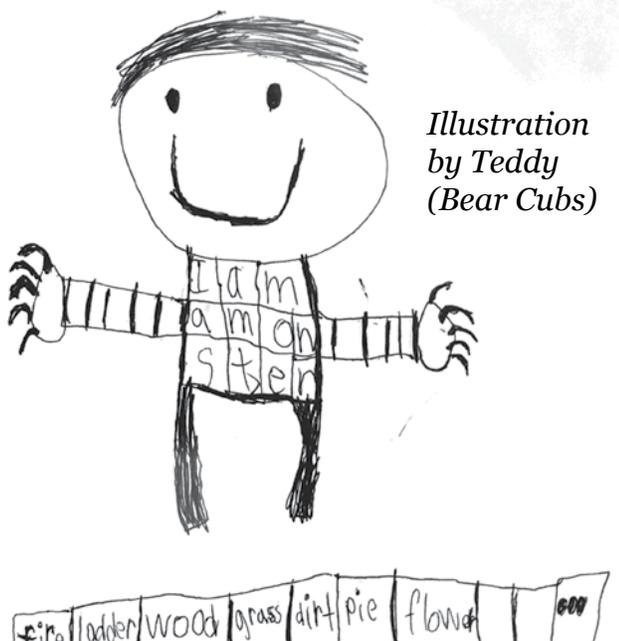

by Maida (Log Cabin)

One day I woke up and went on the Red Fox bus. Then, counselors greeted me happily. Then, I got my counselor Carolyn. Then, for the first period I did creek play and my cousin got the biggest crawdad and I caught 3 and one of them was the smallest. It was so cool! Then, for 2nd period I did pool and it was really fun. Then after that I ate lunch it was really scrumptious. Then, I rode a fun horse named "Chaco" and it was sensational! Then, I did pottery and after that I ate snack and went home. It was a fun first day of Camp Whippoorwill.
