

Whippoorwill Weekly

FALL EDITION: 2017

2018 Registration

Get excited! Registration is upon us.

Returning Families: If you camped with us in 2017, you will receive a link for early registration, which will open starting Saturday, **February 10th at noon through February 13th at 9:00 p.m.** 70% of our summer spots will be available during this time. This link will only work for families that camped with us in 2017.

New Families: Registration will re-open on **February 14th at noon**, where all remaining spots will be available for both new and returning families.

We expect to have another sold out year. Our spots go quickly. We want to share some tips to make the process as smooth as possible.

- Have all of your camper's information available.
- You will use your email address to log in. If you do not remember your password, contact the camp office prior to registration.
- Have a second choice session in mind in case your first choice is already closed.
- If the session you want is not available during early registration, you can try again on February 14th when we open the remaining 30% of spaces.
- We have a waitlist (by email only) which will be available beginning February 14th at noon.

More details about registration can be found on our website under the *Registration* tab. Happy Camping!

Happenings around the farm

When summer is over, there is an immediate hush that falls over the farm. It's very peaceful and the quiet is welcomed after the hustle and bustle of summer. That lasts about a week and then we are lonely and itching to plan and plot for next year! We miss you.

This Fall has been about maintenance and upgrades. We were hit with a flood in September which, unfortunately, wiped out our beautiful new Gaga Pit. Have no fear! We are working on a new one and a flood plan! The Log Cabin structure has been on our property for over 25 years. It is well loved and used by over 700 campers and counselors each summer, so we felt it was time it got a face-lift. We have expanded the roof, concrete pad and are in the process of adding changing rooms for our Log Cabin campers! It's going to be a great new addition to our camp. We are also working on a hand-washing station and a set of changing rooms down in Teepee.

We never know what the winter will bring, but we are excited for the improvements that are underway and the plans for the spring. We hope you will join us next summer for another great year on the Farm!

Popsicle Stick Scarecrow

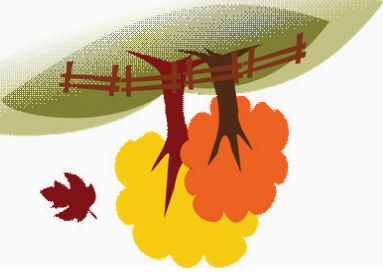

What you'll need:

- 12 popsicle sticks
- Orange paint
- Flesh-colored paint
- Raffia
- Googly eyes
- Orange felt
- Fall flower
- Magnets
- Hot glue gun
- Black permanent marker

1. First, you'll need to trim two of the popsicle sticks.
2. Line up nine of the popsicle sticks to create some what of a square.
3. Attach the two trimmed popsicle sticks across the back using a hot glue gun.
4. Paint the remaining popsicle stick orange. This will be used to create the brim of the scarecrow's hat.
5. Attach the hat brim, googly eyes, felt nose, fall flower and raffia hair using a hot glue gun.
6. Draw on a cute scarecrow mouth, and your popsicle stick scarecrow is complete! Isn't he so stinkin' cute?!
