

# Whippoorwill Weekly

Written for campers, by campers

Session 6: July 6-9

## Decades Week!

This week's theme was Decades. We had fun dressing up in 50s, 60s, 70s, 80s, and 90s costumes. On Friday we had a counselor competition called Musical Inner Tubes. This is like musical chairs but, instead of walking around chairs, counselors were in the pond and walking around inner tubes.

Fun on the Flying Squirrel!

Digging up potatoes in the garden!

## The Log Cabin Song

Written by Log Cabin campers  
Harper, Tovah, Nolan, Rosemary,  
Smith, James, Vivian and  
Counselor Carter

Log Cabin is very fun.  
Log Cabin is number one.  
We like running in the sun,  
Sometimes it is very fun.

We do tie-dye every Thursday,  
Far away and in the shade.  
Sometimes we'll chill in the pool,  
or do music which is cool.

Whippoorwill is so much fun!

Gaga Ball is really cool.  
Why can't we just go to the pool.  
We love swimming in the Pond,  
all of us friends we love do bond.  
We got chickens, pigs, and goats.  
Kayaks are my favorite boats.

## Interview with Nature Marcus

By Thomas R. (Log Cabin)

### How do you catch crawdads?

Put the net behind the crawdad and spook it into the net. Or you can pick it up behind its claws.

### Have you ever seen a bear?

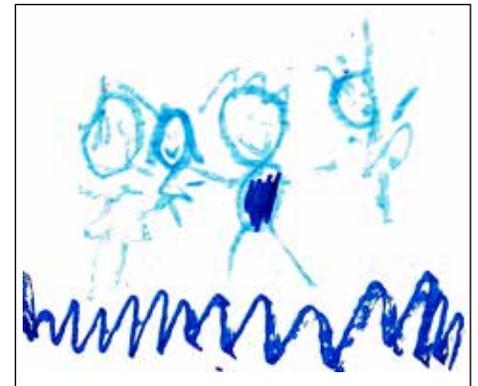

Not here at camp, but yes.

### Have you ever caught a shark at the beach?

I've seen a shark at the beach once but never caught one. I've also seen lots of dolphins.

### How do you catch frogs?

They're pretty jumpy so you want to use a net.
