This week campers had fun writing original lyrics to familiar songs. Two of the songs are below and more are on the next page of the newsletter.

Pip and Squeak Had a Farm

(Sung to the tune of Old MacDonald Had a Farm)

Written by Camille H., Lillian W., Emory H., Ella Grace, and Maddie

Pip & Squeak had a farm
Oink oink oink oink oink
And on that farm they had
some bunnies
Oink oink oink oink oink
With a hippity hop here and a
hippity hop there
Here a hip, there a hop
Everywhere a hippity hop
Pip & Squeak had a farm
Oink oink oink oink oink

And on that farm they had
chickens & ducks
Oink oink oink oink oink
With a quack quack here
And a cluck cluck there
Here a quack, there a cluck
Everywhere a quack cluck
Pip & Squeak had a farm
Oink oink oink oink oink

Party at Whippoorwill

(Sung to the tune of Party in the USA)

By Ozi D., Aubrey B., Tray H., and Kate C.

I hopped off the bus
at Whippoorwill with
my backback and my best friend.

Welcome to the land of
fun and games (Wooo).
Everyone fits in.

I look to the side and see Lake Yolo
I hear something loud - it's
probably JoJo.

Everyone seems so friendly
I wish it was a little more windy.

My tummy turning and
I'm feeling kinda hungry.
Needs to be 11:30.

At the end of the day
we sing the camp song
at the best camp in Nashville (x3)

I put my hands up, splash in the
creek,
catching a few crawdads.

Getting soaked in the Splash Pad
My archery ain't too bad.

Hands up, splash in the pool
Lunchy is coming up real soon.

(x2) Yeeaaah, it's a Party at
Whippoorwill!

I've Gotta Go to Camp Whippoorwill

By Ellis B., Halley B., Hattie B., and Avery Kate R.

We climb rocks, we climb trees,
We climb all o' those things.
We jump in the pond,
We go kayaking, we shoot arrows.
We go rock climbing,
It is the best camp in Nashville.
I am so lucky to go to Camp
Whippoorwill.

Please help me Meg
Unda the leaves!

'Cause we are TP
Unda the leaves
