## Believer

By Kate W., Emma W., Grace T, and Anne R.

I've got this feeling inside the bus  
I've got camp spirit when I turn it on  
All through the camp, yes  
All through the bus we are feeling cool and happy as a kayak in the pond.

## We Love Camp Whippoorwill

Article and drawing by Isla M. and Lucy B.

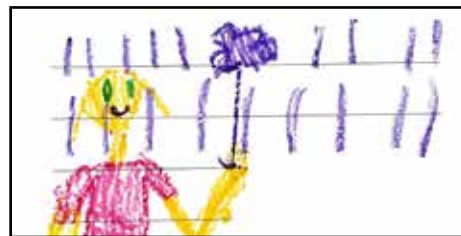

Creek hikes are so fun. I like to swim and cool off. That's why I love creek hikes. The pool is so fun. I love it. It's soooo fun. That's why I like the pool. I made rice krispie treats and I love the kitchen. Other favorites are Gaga Ball, creek play, kayaking, splash pad and music. We had so much fun at camp!

## The Video Game

By Lucas M. (Log Cabin)

Dang! I lost again. It was Saturday afternoon with Ben, who was 7 years old. I'm going to try one more time with the video game and I quit! Ben turned on the video game for the last time. But, when he turned it on, the iPad pulled him in to the game. He was trapped!

## Believer

(Sung to the tune of Rhythm)

By Lucy R., Anton A., Lucy B., Jackson F., and Lucy P.

First things first, I'm gonna climb to the top of the trees

I'll climb up to make some friendship bracelets, ooooooh, to make some friendship bracelets, oooooh.

Second things second, don't you tell me what to craft at the Art Barn oooooh, to craft at the Art Barn, oooooh.

But we always, we always, we always, we always, kayaked, like hey!

We went on a creek hike, a creek hike.

Cause I'm happy splashing if you feel like Whippoorwill is for you. Splash in the pond and pedal cars too!

If you like Whippoorwill, it is the place for you!

We will find a den for you. Cause I'm happy cause I'll make new friends too!

Come back to Whippoorwill, it's for you! Yay!

## Levitating

By Coco M., Fielding M., Avery Z., and Blythe D.

If you want to have some fun with us  
we know a camp for you  
And we can take you for a ride.

Clap x 2.

We had a premonition where we  
fell into a camp where the fun don't  
stop for life.

Splashing in the pool, climbing the  
trees. Having fun at Whippoorwill.  
Ummm Yay Yay Yay.
